
PET Rocket® Junior Project

“We are glad that the children have learnt the basic aspect of PET Rocket Project and most importantly, they are able to relate it with the learning of science particularly to topics such as forces and energy.

We are also thankful to all your staff for their guidance and dedication towards our pupils during the course of the project.”

Mr Jalaludin Sahar, Teacher-in-charge, Yangzheng Primary School

“It is very fun and Tao Nan should organize more things like that.”

Kimberly Soo, Student, Tao Nan School

“I think next year I will sign up for this course again.”

Sean, Student, Anglo-Chinese School (Primary)

“It was good and I enjoyed it.”

Mare Yeong, Student, Anglo-Chinese School (Primary)

“The course has increased my interest for Science.”

Fabien Tan, Student, Loyang Primary School

“I want to do it again. I think it’s helpful to recycle.”

Jace Hong, Student, Loyang Primary School

“Have more activities like this in the future!” =)

Anastasia, Student, Marymount Convent School

“This PET Rocket is very fun and interesting. I wish I would have 1 at home! Very good! I like it.”

Lim Yi Xuan, Student, Tao Nan School

“I like the PET Rocket, especially the shooting of the rocket to the sky.”

Fabian Lim, Student, Kong Hwa School

“This is a very good course.”

Jason, Student, Poi Ching School

“I enjoyed the programme a lot! Wonderful!”

Rachel Goh Qian Yu, Student, CHIJ Primay (Toa Payoh)

“It is very scientific and fun for everyone. Very clever experiment.”

Amy Jane Winn, Student, CHIJ Primary (Toa Payoh)

“I like this programme very much and I would like to have more of these activities.”

Lim Li Qin, Student, Griffiths Primary School

“Visit our school again. With more rounds.”

Ramil Marty Tamarra, Student, Griffiths Primary School

“Please do more things like the PET Rocket.”

Matilda, Student, Yangzheng Primary School

“It’s very interesting!!! I hope to learn more!!!”
